SUMMER MONTESSORI INSTRUCTION PRIMARY

Summer time is approaching and we are very excited for all we have planned! Neshaminy Montessori offers non-stop opportunities for creativity, discovery, active play, social interaction and fun! Children ages 3-6 will enjoy an authentic Montessori approach to summer combining physical and emotional development with exciting endeavors involving STEAM inspired activities, art, music, science, culture, and more.

For your child to gain the most from this academic program, we require that children enrolled in this option attend for a minimum of 8 of the 8 weeks. This ensures continuity in the classroom and gives participants opportunities to be a cohesive group throughout summer.

Children must be at least 3 years old and potty trained by June 1st 2026 in order to participate.
